

Descendants of Ole Olsen

Generation No. 1

1. Ole¹ Olsen (Ole^A Andersen) was born 1831 in Vestby, Sørkedalen, N-Odal, and died 16.07.1908 in New Zealand. He married **Eli Haugnesdatter** 26.12.1856 in Moe, N-Odal, daughter of Hauge Sørensen and Ingebør Pedersdatter. She was born 16.09.1829 in Blådammen, Slåstad, S-Odal, and died 02.06.1905 in New Zealand.

Notes for Ole Olsen:

One of first settlers at Norsewood, Hawkes Bay, New Zealand.

Because there were a number of Ole OLSENs at Norsewood, Ole OLSEN BERGER retained the 'BERGER' part of his name to distinguish him from other Ole OLSENs in the district. However, it seems he was officially known as Ole OLSEN as indicated on his headstone.
